Pontiac Reports Big Increase in Orders

That the Pontiac Motor company may produce for domestic sales as many cars by the last of April as it did all last year is the optimistic forecast that has been made by A. W. L. Gilpin, vice president and general sales manager of the company.

Mr. Gilpin pointed out that there are 25 per cent more men on the factory payroll than last year at this time, with further increases expected.

"One quarter of our dealers have ordered more new Pontiacs for the first three months than all of our dealers did for that period last year," said Mr. Gilpin, "and if we had the cars I am convinced we could ship 30,000 of them today."

"I have just returned from Cincinnati and our dealers there have sold more than half as many cars as they sold all of last year. Pressure is coming from all parts of the country for immediate shipment of cars. This includes the rural communities as well as the cities of all sizes."

Now on display for the first time in this city the New Pontiac STANDARD SIX

An Additional line of cars whose quality and beauty make the price phenomenal

Today Pontiac presents an addition to the Pontiac family—the Standard Six line—now lower in price and offering many of the features that the 1935 De Luxe Six and Improved Eight introduced with such sensational success. All models have the same speedlined styling that gained Pontiac the name of the most beautiful thing on wheels. The bodies are the same solid steel "Turret-Top" Bodies by Fisher. The brakes are the same—big, positive hydraulics, triple-sealed against dirt and moisture. The new ride, the happy result of stabilized, synchronized springing, is every bit as gentle and comfortable as you could ask for. The engine, with its silver-alloy bearings, provides dependable performance so smooth and lively that you will doubt it is a six. And, best of all, it operates with an economy of gasoline and oil that will literally amaze anyone who has had experience with other low-priced cars! A look, a ride and you'll decide you simply can't do better.

615 HIGHLIGHTS OF PONTIAC QUALITY FOR 1935
