"The Gay Bride," Comedy Hit, Will Feature at Catlow

"Bengal Lancer," India War
Film With Gary Cooper.
Opens Thursday

Being with the speed of a skyrocket as it sparkles across the heavens the hilarious new comedy-drama, "The Gay Bride," featuring "Carole Lombard and Chester Morris" will appear at the Catlow Theatre Saturday following the final showing of "Here Is My Heart" Friday night. The plot concerns a young adventurer who decides to go gold-digging among the hills of New York's most high-society playboys.

Frank's Lancer, Jerry's Intergalactic star and screen idol and sparkling, Titan-haired Ginger Rogers, head a strong cast. The story tells, convincingly and realistically of love and drama in the romping romances of New York City.

Mirkey Mouse cartoon, Laurel and Hardy comedy and news complete the Sunday-Monday program. Girls, melody and laughs play an equal part in the campus comedy "College Rhythms," coming Tuesday with Joe Penner heading the featured part.

The Barstain Night offering is a repeat showing and will be supplemented by news and comedy. Society goes Hollywood with a vengeance in the smart person of young James Blakely, screen play appearing in an important role in "Mills of the Gods," starring May Robson, coming Wednesday for one night only.

Out of the dynamic, present-day scene of industrial strife and the attendant conviction that the leisure, pleasure-seeking class is on the wane, has been fashioned a stirring romantic drama called "Mills of the Gods."

News, cartoon, comedy and Owen Glasser and women patrons. Wednesday night instead of Saturday night, are added attractions.

A picture which combines magnificence, sheer spectacle, and breath-taking action with the pleasure of human drama, "The Lives of a Bengal Lancer" will open a three-day run Thursday. There have been any number of screen spectacles based on the live add adventure of fighting men, but never one of the calibre

of "The Lives of a Bengal Lancer." Over four years in the making, it employed more than four thousand actors in scenes shot in the mountain fastnesses of India and in five separate locations in California.

Firemen Give Party
The hard time party and dance sponsored by the Grove fire department at the Bessie hall Saturday was a great success according to reports. The department feels that the community is grateful for its uniring efforts to free the village of fire hazard. Some time ago members of the department located a very good used fire engine and since that time have devotedly been working hard and energy in replacing worn parts. From its appearance the engine looks like a new one and it is much larger than the one that has been in use. The department decided on giving the party to take care of the expenses incurred. At its last meeting the Legion Auxiliaries decided to contribute \$5 to the fire department under the head of "community service."
