## Dairy Firm Fined for Violation of Local Ordinance

### Arrest Follows When Agent Is Found Soliciting at Homes

The village of Barrington tried its first case for violation of the health ordinance Saturday afternoon in the office of A. L. Blanke, justice of the peace. John Wild, salesman for the Dairy Farm, was arrested by Chief Constable Butter and Earl Milwaukee.

Wild was arrested by Chief Constable Butter at the residence of John Blanke, 232 W. Madison. On April 4 he was in the act of making a direct solicitation of Blanke to sample his milk.

Blanke, branch manager, advised the law enforcement officer that the Dairy Farm at 1200 W. Madison had pleaded guilty to the violation of the ordinance. The Dairy Farm was fined \$25, the minimum for a first offense, with the stipulation that if no violation is done during the next 90 days the fine will be \$250. The fine was paid by the Dairy Farm.

The Dairy Farm was fined \$25, the minimum for a first offense, with the stipulation that if no violation is done during the next 90 days the fine will be \$250. The fine was paid by the Dairy Farm.

## Mrs. Robert Work Elected Regional Chairman of Garden Club of Illinois

Mrs. Robert Work was elected north regional chairman of the Garden Club of Illinois at an annual meeting of the organization, held at the Palmer House, Chicago, Monday. About 150 persons of Chicago garden clubs attended the session in addition to presidents of clubs throughout the state. The Garden club of Illinois annually sponsors a flower show at Navy Pier. Record attendance at the show were broken Sunday when 35,000 persons viewed the exhibits. This marked the largest attendance during the past nine years of the show.

## Maloney Offers Cash Settlement Discount of \$120

### Will Catalogue Materials in C.W.A. Projects Here April 22

A letter from village attorney David P. Maloney asking that the board settle five delinquent taxes handed by him last year was read at the board meeting Monday night. Maloney offered a cash settlement of \$120 which would be accepted by him, the letter stated.

Cases for which the bill was rendered are Barrington v. Riley estate, Barrington v. Lakeshore Trustee Bond and Barrington v. Lakeshore Surety Bond. A bill was also presented for the settlement of the village of Barrington. The settlement would save the village \$120.

Bills passed due on the C.W.A. project for the remodeling of the village hall were discussed and it was decided to hold a meeting for all persons who worked as officials on the hall and want their names on both projects. They have to be separated into single accounts.

Trustee Earl Hatje told the board that the firm of Jonathan Cook, auditors, will come before them soon to discuss the collection of the state fire tax due the village.

Edward Thurnham had rendered a bill at the previous meeting for insurance carried on village workers for the latter part of 1934 and amounting to \$204. It was the belief of trustees that the sum included men working on other village projects and should not be paid by them. Also the rate of cost was attacked on the ground of being too high.

During the discussion, it was reported that the majority of men employed were outside men from other communities and costing as much by the insurance rate as men would that were hired locally, not on a relief basis.

## Union Service of Local Churches to Take Place Friday

### Special Program Planned for Every Night of Holy Week

A complete program for the celebration of Holy Week in Barrington has been planned by the church union and young people's Christian commission with union services Good Friday as the concluding event.

During next week services will be conducted at each of the four churches—Baptist, Methodist, Salem and St. Paul—with a different one being host on successive nights.

The program follows: Monday, 8 p. m.—First Baptist church, Rev. Charles Drusell. Tuesday, 8 p. m.—First Methodist church, Rev. H. E. Eagle. Wednesday, 8 p. m.—St. Paul Evangelical church, Rev. H. E. Drusell.

A two-hour service of four half-hour periods will be held in commemoration of the "Crucifixion of Christ" at the Salem church from 7 to 9 p. m. Friday and as usual the majority of Barrington business houses will be closed. Ministers in charge of the half-hour periods will be as follows: Monday, 1 to 2 p. m.—Rev. Eagle, 2 to 3 p. m.—Rev. Koening, 3 to 4 p. m.—Rev. Drusell, 4 to 5 p. m.—Rev. Koening, 5 to 6 p. m.—Rev. Koening.

Good Friday worshippers may come to any of the periods since brief intermissions have been arranged so that the faithful feel free to come or go as they wish. Offerings will be used to defray expenses of the united service and any surplus will be added to the Daily Vacation Bible school fund, it was announced.

An Easter sunrise service will be held at the First Baptist church at 8:30 a. m. on Easter Sunday morning under the auspices of the Young People's Christian commission.

St. Matthew Evangelical Lutheran church plans a special Good Friday service in the evening at 8:00 with the collaboration of the Lord's Supper.

## Quiet Election in School District 4 Expected April 13

### A President and two members of the board of education will be selected at the annual school election Saturday afternoon.

Unless an unexpected "writing" campaign develops, Peter L. Anderson, C. E. Billings and Arnett C. Lines, president and members of the board, will be re-elected without opposition. These men are completing their first term on the school board during which they devoted themselves conscientiously to their duties.

The voting place will be in the school gymnasium, and the polls will be open from 12 noon to 5 p. m.

## Woman's Relief Corps Entertains at Luncheon for State President

### General Thomas W. Sweeney Post No. 55 entertained 57 women at luncheon Tuesday at the Masonic temple on South Cook street.

The dinner was held in honor of Mrs. R. Murdoch, state department president, but unfortunately Mrs. Murdoch was suddenly ill and unable to attend.

## Legion Community Host at Dinner in School House

### Armstrong and Bernhard to Be Guests of Honor; Music Planned

As part of a nation-wide movement to acquaint citizens with the aims and purposes of the American Legion, members of Barrington post will give the introduction, to the Daily Vacation Bible school fund, it was announced.

Paul P. Armstrong, state commander, and Joseph P. Bernhard, sixth district commander, will address the guests.

## Rural Fire Truck Is Underwritten by Board Members

### Necessary Funds Collected for Initial Down Payment

The village board voted to underwrite the purchase of a \$1935 fire truck for Barrington's rural area Monday night following a report by Sam Landwer that \$1020 had already been collected toward the purchase price.

The money was raised by means of an assessment plan, by which people who would benefit by purchase of apparatus contributed. Darcy and Sons, through Brewer Motor Sales, was awarded the contract after a thorough investigation of the truck by members of the local fire department and a committee including Irvin Landwer, Fred Grabenok and Sam Landwer, all of whom reported they were satisfied with it. Delivery will take about five weeks.

Harold Grebe showed the board a sample parking sign he believes would fill their needs. The sign, enameled and lettered in black on an orange background, costs \$1.50 for a very active building, changed to include new proposed rules.

All state owners have not been approached on final matters of parking, the subject was continued until the ordinance is changed to include new proposed rules.

## Homes Needed Here, Speakers Declare at Lions Meeting

### Barrington is 50 homes short of present demand and should be increased to 100 by next season according to H. A. Schroeder, local chairman of the federal housing act construction committee.

Mr. Schroeder, who is the principal speaker at the Lions Club dinner Monday night, attended by building contractors, real estate men, and others interested in housing, declared that the federal housing act was explained by Mr. Schroeder. The plan permits persons with regular incomes to borrow money for building purposes on long term insured mortgage loans, and at low rates of interest. The interest rates on most mortgages will be about 5 per cent per annum. Loans will be for periods as long as 20 years and can be paid off in monthly installments, it was pointed out.

R. L. Hushag, Earl Schwemm and E. S. Smith were other speakers at the meeting.

## Will Choose Cast of 100 at I.O.O.F. Tryouts for Show Mon., Tues.

### Tryouts will be held at I.O.O.F. hall Monday and Tuesday evening, April 15 and 16, for those wishing to take part in the community play "Prairie Farmer's Dance Show" which is being sponsored by the Odd Fellows Booster club of Barrington. A cast of not less than 100 will be selected for the production.

The tryouts will begin at 7 p. m. each evening with Miss Nell Adams of the WLS staff in charge. The show will be presented in Barrington high school auditorium three evenings, April 22, 23 and 24.

All interested persons in Barrington and neighboring communities have been invited, through press notices, to participate in the tryouts next week.

## No Competition in Zurich Elections; Only 8 Candidates

### Village elections at Lake Zurich Tuesday should constitute a rather tame affair this year, if the lack of competition shown in specimen ballots is correct.

W. A. White is the only person whose name is listed as a candidate for village president and Paul Prohm is the sole aspirant for office of village clerk.

Six men must be voted in as village trustees. The following names are listed as candidates: Ferguson Harkness, Henry Schaefer, Herman Buschling, Albert Prohm, Louis Seip and Henry Barding.

White will also decide the "two mill tax" proposal at the election.

An answer must be given to the following question: "Shall the Village Board of Lake Zurich, State of Illinois, be given the power to levy an 'Annual Two Mill Tax' against the taxable real estate within the corporate limits of said Village for the purpose of equipping, maintaining and supporting the Lake Zurich Volunteer Fire Department?"

## Election Interest Around President, Clerk Campaigns

### Three Candidates for Each Job Will Bring Out Vote Next Tuesday

Interest in village election next Tuesday centers on the races for president and clerk. Three candidates are contending for each of these offices while only eight candidates are seeking the state trustee-ships, with less competition resulting. The election will be held in the village hall, with the polls open from 8 a. m. to 5 p. m.

John C. Caldwell, Eiden Gieske and Earl Hatje are the three candidates for president of the board.

Mr. Hatje first ran for the village board in April, 1931, when he was elected trustee with a total of \$70 votes, the highest vote total cast for any candidate that year. Two years later he was elected with a total of 1322 votes, the largest number of votes ever cast for any candidate for village office in this community.

During his four years as trustee, Mr. Hatje has upheld and supported many progressive improvements in village affairs, particularly items for cutting down expenses and encouraging prompt payment of bills. He introduced the plan for 10 percent reduction on all water bills paid within 10 days after they are mailed out, his introduction of the plan for 15 per cent reduction in vehicle license fees if paid promptly.

Mr. Hatje has conscientiously sought a solution of the sewerage problem, and to this end planned and proposed appointment of a citizen's advisory committee to make a thorough investigation of the problem and give the board a recommendation on course of action to be followed.

John C. Caldwell is a member of the board of trustees' village board since 1931, having made a year retirement from village affairs. Prior to that he was president of the board 8 years and clerk seven years, always being elected by a large number of votes.

When Mr. Caldwell first became president, the village was in a state of disrepair. He introduced adequate sewerage system and antiquated street lighting. The paved streets, sewerage system and ornamental lighting systems are improvements made while he was president and which he supported.
