**The Almanac de Gotha**  
The Almanac de Gotha is primarily a genealogy of the royal and princely families. The Almanac de Gotha was first published in 1763. It gives a particular account of all the royal and princely families of Europe and ample details concerning the administration and statistics of the different states of the world.

**LOANS**  
BASED ON FAIR DEALINGS TO ALL  
THE borrower who feels that his loan should be renewed and renewed is unwittingly blocking normal financial traffic. Bank credit is created for the use of the community, not just a fortunate few. Unless loans are generally repaid when due, the flow of credit into new, deserving channels will obviously be limited.
