125,000 PEOPLE IN THE CHICAGO AREA ARE LIVING BETTER BECAUSE OF GAS HEAT

The real joy of living! more time for the boys now that he has Gas Heat

HERE is a scene in the back yard of one of the thousands of homes in the Chicago area made carefree with gas heat. Remember-it costs only a few cents more a day to have this modern, automatic heating method. It's a happy home that has gas heat. For gas heat gives you more time to play with your youngsters—joyous, carefree hours that only this up-to-date method of heating can bring. Gas heat means freedom from furnace cares. The luxury of a clean home that stays clean the year round. A home that's a constant joy to live in. There's not a doubt in the world—for a few extra cents a day gas heat can increase your family's joy of living beyond belief. Think what a difference gas heat would make in your home. Hours of extra leisure—carefree Saturday afternoons with the youngsters, free from the dirt and discomfort of cleaning the furnace and hauling ashes. Extra sleep in the mornings, too—no more shoveling coal while the city sleeps. A thermostat turns on the heat in your home the minute you want it—automatically. That's why you can leave a gas-heated home for hours on end without worry. It will be just as warm when you return as the minute you left it, whatever the weather. If other families can have gas heat, so can yours—at a small extra cost a day, investment now. Learn how economical gas heat really is, when you consider the many direct and indirect savings it brings. Call our nearest office.
