## Lake County Sale of Seals Report Slow by Lead

A survey of the 1935 seal catch revealed that of 43,000 seals set out by the Lake County sealers association Thursday only 4,676 have been turned.

The number, only 17% returned money. The total stands today at \$2.25 the goal set by the association \$8,000. This information was received by N. O. Flanagan, inspector.

It is estimated that the total catch for the coming year, if it is not held up by the sealers, will exceed the total for last year. This is due to a decrease in the number of seals and a few chest catches at the clinic.

Village Trustees Estimate \$275,000 Needed for Sewer

Continued from page 1  
been reported that contractors were reluctant to bid the complete job at the low bid. Under the present plan, sewer and water departments are combined to furnish retires to retire funding bonds. It is estimated that \$17,000 will be required for the sewer work with \$4,000 coming from the water department. The department operates with a profit that could be diverted for the combined sewer and water department.

A contract was entered Monday night with the L. H. Hoopes and A. B. Hupke homes to sell whatever bonds found necessary at 97 1/2 on the 100.

The bond houses agreed that all bonds needed at that time would be obtained by the fulfillment of the project, it is essential to have a financing plan ready for the opening day January 19 as the PW only allowing one or two days to make the bonds.

After breaking down the feet into smaller bid units an increased refinancing plan board necessary at 97 1/2 on the 100.

The bond houses agreed that all bonds needed at that time would be obtained by the fulfillment of the project, it is essential to have a financing plan ready for the opening day January 19 as the PW only allowing one or two days to make the bonds.
