

Clark Gable and Myrna Loy Teamed in Catlow Feature

"The Country Doctor" Brings Dionne Quintuplets for Three-Day Run

Extra Myrna Loy to divorce Clark Gable; Jean Harlow named as "other woman"; What a story... What a sensation...!

Not at all—for it has happened— in a motion picture that reaches the zenith in drama, glamour and modernism.

The picture is "Wife Versus Secretary" and is scheduled to play the Catlow theatre Sunday and Monday.

New angles are added to the "eternal triangle" as Clark Gable, dashing, young multimillionaire finds himself snared between the loves of two women—Myrna Loy as his wife, and Jean Harlow, his secretary.

The greatest front page personalities of the world are without doubt, the Dionne quintuplets; hence the announcement of a photoplay presenting The Quins themselves, cooling, crooning and acting, with famous Hollywood stars in adult roles, is news of the first magnitude.

Wednesday, Thursday and Friday are the days set for the showing of this picture, which is aptly titled, "The Country Doctor." It was made under the personal supervision of Dr. Alan Roy DeLee, with Joan Horsholt, Slim Sommerville, Dorothy Peterson and June Lang starring, with The Quins.

"Charlie Chan at the Circus," with Warner Oland as Chan, will provide tip-top mystery for this Friday night.

"Love On A Bet" with Gene Raymond and Betty Barrie, will offer adventurous romance for the Saturday's bill.

"Horse operas," long the slang term for Western films, although not yet obsolete, are becoming musical, with the advent of a croonin' tune and two along with the shootin' or ridin' Dick Foran, known as the singing cowboy, is setting the fashion for films of the farflung West.

In his "Song of the Saddle," playing Tuesday, get gets into action as the bad man of the bad lands to rub out his father's enemy.

In conjunction with the "Song of the Saddle," the local school orchestra and the A Cappella choir, which won high ratings at the state contest held last week at Normal, will offer a 40-minute program, beginning at 8:40 p. m., and Miss Alvena Kocher, who won third place in the piano contest will play her prize-winning number.

The above program has been arranged as a benefit, the proceeds of which will be used to help defray expenses of the orchestra.
