## Bronks Will Play Libertyville Here Saturday, Oct. 31

### Barrington and Lake Forest Battle to Scoreless Tie Friday

With a 12 to 7 loss of last year still in mind, the local gridmen will meet the Libertyville eleven at the Northside park Saturday in Barrington's homecoming game to make an attempt to avenge that score. According to Coach A. J. Bergstrom, his Libertyville team will be inexperienced. This sea-

son's regulars will be from last year's reserves and lights. Schelling, end; Trenner, guard; Vlink, tackle; and Duffong, center, are lettermen back, each having two years' experience and averaging 165 pounds. Libertyville has a fine list of reserves to back them up. Krall is the team's ace passer. Sitt, Gretschel, and Whitney are rated fair as punters. Several weeks ago Libertyville was defeated by Lake Forest 7 to 6 and after the Bronks' fine game at Lake Forest the chances for the team to win looks rather hopeful.

#### Friday's Game

Friday's game at Lake Forest was a fairly even battle from start to finish ending up in a scoreless tie. Barrington succeeded in smothering the Gold Coaster's aerial attack and the opponents sturdy line held the Bronchos running attack well in check. The first half of the game was mostly Lake Forest's. Secombe, and Michalson attempted several passes, but the cold weather made it impossible to get full control over the pigskin. Grabenkort made several nice passes working the ball well into Lake Forest territory. Barrington lost the ball on downs falling to advance closer. Grabenkort attempted a field goal from the 15 yard strip, but the opponents smashed through to break it up.

Many infringement suits  
Between 1898, when a patent on the Roberts Torpedo, a device for shooting oil wells, was granted, and 1930, when its legality was upheld by the United States Supreme Court, notes a writer in Collier's Weekly, infringements were so widespread that they resulted in the filing of 16,000 suits and counter-suits. And Roberts won every one that was brought to a decision.
