

# Bronchos Take Second Conference Victory; Defeat Palatine 24 to 22

## Locals Will Play Bensenville Bison Five This Friday

## Bronchos Win By One Goal; Pounce Defeat Palatine 17 to 14

The BHU Bronchos resumed their old rivalry with the Palatine Pirates on the Pioneer sport field evening and made out on top by a 24 to 22 score.

Palatine's highlight took a three point deficit from the local Popy points in a game that was anybody's sort of the line.

Two a number of extra Poppies and Harrington have been chosen. During the season of 1934-35 the two rivals took for the conference championship in the year the first teams won both four and three titles on the field.

**Bronchos-Bronzo Game**  
The Pirates scored the first points with a bell goal and a gift kick at the beginning of the game. Green pilled up a 4 to 3 lead on the opponents within two minutes long shots. Koch, one of the Pops, kicked a point for the Pirates and remained at it 4 units the quarter.

In the second period Green again took the lead for the Bronchos. Grabkowski dropped another in for an additional two points. The Green brothers got together in the second period and scored the three points to tie the favor of the Bronchos, but in favor of the local men.

The episode turned climax in the Bronchos in the third quarter, making momentary from three Blaser and Grabkowski put the score out of immediate danger.

O'Brien got loose for several points making the score 17 to 14 in favor of the Bronchos, but too close for comfort.

The Pirates started chasing in the Bronchos in the second half of the first half, but only a small number scored. The Bronchos kept the score steady for the last few minutes of play bringing the Pirates at a disadvantage.

**Popy Game**  
The two lightest teams got their tops on each other during the first quarter, ending in a three-all score. Church broke the tie on a free kick in the second quarter.

Palatine won forged into the lead on a free kick for some time until Alki dropped a punt, long shot into the basket.

The game was again tied for a while in the locker room. The game was again tied for a while until Castle broke the 11-11 tie.

The Pirates kept lead on the opponents for the rest of the game.

**Games Close**  
Both of the titles were played very close for the entire evening. These games were perhaps the most exciting of the games well-remembered by Brook fans largely due to the fact that the Bronchos were a size position to be the victors and they had only to wait until the last heave came before this fourth. This game was the fourth year in a row that the Palatine.

**The Priday's Game**  
The Priday's game that promises to be an interesting tilt will be played on the 22nd of this year when they will meet the Bensenville Bison on the Bensenville court. Bensenville has a new team this year, but has been showing

great improvement in the last few weeks.
