E. J. Wolfes Return From South America

Mr. and Mrs. E. J. Wolfe, of Cuba township, returned to their country home this week follow a vacation of nearly three months spent in traveling through South America. The Wolfes left Barrington last October and sailed from the west coast to Valparaiso. They returned by the Atlantic to New York on the home trip.

From Valparaiso they journeyed along the Chilean lakes, which, Mr. Wolfe describes, were of greater beauty than the famed lakes of Switzerland. They spent two and one-half days by train crossing from the lakes through Argentina to Buenos Aires.

Mr. Wolfe was favorably impressed with the progress made in the country and the customs. The building activity was also of great interest. They also visited large cities including La Paz, Lima, Rio De Janeiro and Sao Paulo.

The beauty of the cities, their construction programs, their cleanliness and the low living costs are impressed on the visitors, he stated.
