

# A Capella Choir Wins First Place in District Contest

### Singing Is Given Superior Rating at Elgin Saturday

The A Capella choir of Barrington high school won first place and a rating which was superior to that of any other district contest held at Elgin Saturday. The choir, composed of 49 persons, was directed by Miss Adelaide Vign, director of the Barrington high school choir. For the contest, they sang "How a Rose Blooms," "Pravoslavni," and "A Truist in Summer." Elgin was judged by three persons, Walter Ashbachman, well-known musician and director of the Chicago Symphonist choir, J. M. Frankland, head of the public schools and president of the American Conservatory, and Mack Egan, director of the Chicago.

# Bill for Speeding Tax Collections in County Is Proposed

### The collection of taxes has been made a matter of public concern

The collection of taxes has been made a matter of public concern in Cook county, especially in Cook county, many years ago the state decided to collect the names of all property owners who were delinquent on the taxes and the names of those who had not. Experience has shown that the state is not getting the taxes paid more promptly.

# New Time Change Sunday Morning

Continued from page 1  
A M.C.R. station agent, announced that the new railroad schedule is in the custom of changing the schedule so that commuter trains were advanced one hour. This was done due to the fact that the operation of the standard time. This year, however, instead of making change ahead to conform with the new time, Mr. McGuffin said the schedule is to be changed with several important trains being moved back an hour. He reported the new schedule would be available on or about Friday and recommended commuters to study it for changes. As far as could be determined, all local business houses and other institutions will operate on day light saving time.

will be turned over to the village board. After that property owners along Main street will be called to a village board meeting and will show the proposed changes in the sidewalks. They will be asked to release the village from their liability for damage that might be done by lowering the sidewalks. The majority of waks to be changed are on Main street, from Main street to Hager avenue on both sides of the street. It was decided at the meeting to prepare applications for change orders on the sidewalks mentioned—widening beyond Hager and Main streets, and widening Main street. This is particularly would affect the property owned by the First Oil company and would move the light pole, water hydrant and other work carrying back in a plan to widen the turn at that point.
