Mr. Kelley's committee and also the judicial committee of the state supervisors' group, headed by Supervisor Danisch of Kane county, will appear before a senate investigating committee at Rockford on Thursday to present this case. "If those counties outside of Chicago were to receive their proportionate share of state relief funds, as based on the relative number of relief cases, a load could be removed from the local taxpayers," he said. "If Cook county wants to raise its subsistence level above that of the rest of the state, it should support its place with taxes raised in Cook county." Mr. Kelley stated in an interview Tuesday.

Part of the meeting will be devoted to the making of scrapbooks for sick and poor children who are cared for by the Visiting Nurse association of Chicago. Troop No. 2 is now enjoying its largest membership in three years, having four leaders and 27 registered girl scouts. Miss Clark stated.

Recount Scenes in Trip From War Zone

Continued from page 1 with tables prepared formula and bottled bottles. The Filipino messengers must have first of all procured the lobster with our precious mixture!

Our babies thrived, but my poor mothers soon became very weary—unfortunately, we found all Japanese to care for our small children, and I had never cared for my child for 24 consecutive hours before we started on this long journey.

We came on the last man-o-war allowed to enter Kobe's harbor. On the streets one saw women making shirts for the soldiers. The women who pass must take a stitch for good luck. Everywhere one saw soldiers—many trainloads came to Kobe and were sent on to China.

Then a day's train trip across Japan to Yokohama. As the day was clear we had many gorgeous views of the beautiful sacred mountain Fujiyama.

Japan is a wonderfully pretty country with its green hillsides and well-kept gardens. The women dressed in gay kimonos added color to the picture. We found all Japanese people with whom we came in contact most courteous.

When we stopped in Kyoto, a large military funeral was at the station and the remains of a great officer, who had been killed in China, were put on our train and taken to Tokyo. All the family mourners, high officers and many soldiers present made a never-to-be-forgotten sight.

The U. S. S. Stewart came from Shanghai to Yokohama to get mail and supplies for the ships at Shanghai and my husband, Dr. F. Kirk Smith, was aboard. The two American vice consuls at Yokohama and their wives entertained the officers of the Stewart at dinner the evening before. It was very lovely and we felt highly honored.

Then, all too soon, it was time for me to board the S. S. President Jefferson for Seattle, on Oct. 23, and for Dr. Smith to return to Shanghai.

Fortunately my small son behaved beautifully, ate everything, slept and never got seasick. Otherwise there were days I don't see all I could have managed. It was all I could do to mix his milk, give him his bottle and "top on my bunk."

We gained 42 minutes every day (that is, set our clocks ahead that much), and we had "one extra day" called "Meridian Day." The babies all became confused as to just when 6 a. m. feedings should be served and were all off schedule by the time we reached Seattle.

The most welcome sight I've had in many months was when I saw, at last, my native land. A few hours in Victoria, and then the trip on Puget Sound to Seattle where we docked about 4 p. m. Nov. 3. It took so long to unload the luggage it was four hours before I finally found my ten pieces.

Catholic Woman's Club

The first monthly meeting of the Catholic Women's Club of Barrington was held at the school auditorium Wednesday afternoon with Mrs. Harry Hovey as presiding.

A committee was appointed to arrange a Christmas party for the school children. Mrs. Leo Turger was made chairman.

Following the meeting, the school children gave their Book Week program. At its close, the seventh and eighth grade pupils presented Father Hovey a book which they had made. It contained a story of the evolution of the book; the drawings were free hand taken from old records and manuscripts.

A delightful lunch was served by the second grade mothers, Mrs. Clyde Gebhardt, Mrs. Clarence Beckman, Mrs. Wilma Kerrigan, Mrs. Eugene Anderson and Mrs. Marie Orloski.
