**SERVEL ELECTROLUX**  
AN OUTSTANDING REFRIGERATOR BARGAIN!

**Liberal Allowance**  
—on your old icebox or mechanical refrigerator. (Depending on cost of new Electrolux.)  
**SMALL DOWN PAYMENT**  
As long as 50 months to pay balance on your Gas Service bill.

**Here's Why GAS Refrigeration Saves You Money Year After Year**

● Electrolux, the gas refrigerator, saves because it's different. The little freezing mechanism which makes cold with the tiny blue "thrift flame" is the only freezing mechanism which has no moving parts. No moving parts means no parts to wear—giving you longer life for your refrigerator... and low up-keep cost, for there are no expensive replacements. It also costs less to operate, because efficiency is held at the same high level, allowing the "thrift flame" to scrimp on fuel, year after year. Then, too, you get permanent *aliums*—parts that do not move, do not make a noise.

See this beautiful new Electrolux today! Come in and see the refrigerator that saves—marked at a lower price than ever before—with a generous trade-in allowance and more sensational new convenience features. See the extra roominess, the compact arrangement, the features that cut down on work—safeguard family health with dependable food-keeping. See the thrilling beauty it will bring into your kitchen.
