

Ela Cagers Clinch Conference Title by Beating Bronchos 34 to 18

Lake Zurich Team Stands Undisputed After Best Season

Locals to Meet Crystal Lake There Saturday; Season Ends Feb. 25

The Northwest conference leaders from the Ela township high school gave the Barrington Bronchos a 34 to 18 trouncing on the Lake Zurich floor last Friday evening. This was the next to last conference game for the Bronchos, the last being with Lake Forest on February 25 in the local gym.

The Ela squad used its main threats, the two Gleason brothers, to good advantage Friday and in so doing clinched the conference championship title. The two boys scored 27 out of the 34 points between them. Ela's captain, Art Leuthesser, gave the Bronchos some worry about by displaying some brilliant ballhanding all through the game.

The Bronchos did not show the speed with which they beat Niles Center the week before and they only scored three field goals all during the first half while Lake Zurich accounted for 16 points, 14 by the Gleasons. The Bronchos substituted freely but this didn't seem to have any effect on the determined league leaders. Scoring for Barrington was scattered during the contest although they did make a fairly good end period when they dropped two field goals and four free throws and held Ela to only seven points. Schroeder, Ela forward who intercepted many of the Bronchos passes, went out on fouls early in the last quarter. Statistics show that Barrington dropped six out of 15 free throws and Ela sank four out of 12 Lyle Gleason led all scorers with eight field goals and a charity toss for a total of 17 points.

The victory over Barrington clinched the unofficial title of conference champions for the Lake Zurich team, this being the fifth year in the history of the school in which they won the title.

Ponies Drop Thriller
The Ponies dropped one of the fastest games played this season to the Ela lights after leading at the three-quarter mark, 15 to 8. Ela held the locals to one point and scored eight themselves the last period. The final score was 23 to 17. Gruesling of Barrington was high point man with eight points. Strayer of Ela scored seven points to be a close second.

Next Saturday the Bronchos travel to Crystal Lake for their second chance at the Crystal Lake team who have a season's record of 13 wins against two defeats. Crystal Lake defeated the local quintet in an early season game, 34 to 28. The game will be non-conference.

Three Teams Tie for First Place as Schedule Ends

Playoff to Begin Between St. Paul, Methodist and Salem Fives

Three teams—Methodist, Salem and St. Paul, tied for first place in the local church cage league during the regular schedule which was concluded at the high school gym Monday night. It all came about as St. Paul had the best record, leading Methodist quintet its second defeat of the season by a 23 to 16 score. This jumped St. Paul and Salem into the top spot along with Methodist each sporting a record of six victories and two defeats in the regular eight game schedule.

It was decided that to determine an undisputed league champ a play-off would start immediately after the three club games. A drawing among team representatives revealed that St. Paul and Methodist would meet again next Monday night, the winner of that game playing with Salem the following week for the title. There will be no league tournament this year so in a preliminary game Monday Baptist will tackle St. Anne.

Although deficits featured by the work of guards E. Altenburg and Mollenkamp, coupled with Methodist inability at the free throw line, was largely the reason for St. Paul's victory over Methodist Monday. Playing aggressive ball, St. Paul led 11-9 at the half, 19-9 at the third quarter, and 23-16 at the final gun.

Methodist made only six out of 20 chances from the free throw line while St. Paul sank five out of 10 charity tosses. Salem ran up the highest score of the season in beating St. Anne 51 to 32 in the opening game Monday. In a free scoring melee Dave Capull, St. Anne, counted 18 points while N. Grabenkort and Overhue of Salem made 16 to 15 respectively.

Q. Who were appointed agents to sell bonds for Internal Improvements in the United States and Europe?
A. Ex-Governor Reynolds and Senator Richard M. Young.
Q. What Illinois-adviced negotiation did Reynolds and Young make in New York?
A. In 1829 they sold and delivered in New York 300 bonds, agreeing to accept payment therefor in monthly installments—the last of which did not fall due to January 15, 1840—under which arrangement the interest on all deferred payments was lost.
Q. What negotiation was made in Philadelphia?
A. 1000 bonds, representing \$1,000,000 were negotiated with Thomas Dunlap of that city, payments for which were also to be made in installments, and in U. S. bank notes which before the state received them had depreciated 10 per cent costing the state not only interest but \$100,000 besides.
Q. What resulted from negotiations in bonds in England?
A. 1000 bonds (\$1,000,000) were deposited with John Wright & Co. in London, which company was authorized to sell them. About half the bonds were sold at 91 cents on the dollar, and the firm failed before the proceeds of the sale had been paid over.
Q. What was the net result of these bond negotiations by the end of 1839?

A. Bonds sold to the State Bank and the Bank of Illinois increased as capital therein, \$2,645,000; Internal improvement bonds sold in the United States, \$3,187,000; Internal improvement bonds disposed of in London, \$1,500,000.
Q. What of the projected Internal Improvements under the large scheme proposed during the 1830s was completed?
A. A railroad from Meredosia on the Illinois river to Springfield, a distance of 51 miles.
Q. What happened to this strip of railroad?
A. It was leased to individuals and operated, generally at a loss, until 1845 when it was abandoned. It finally was bought by Nicholas H. Ridgely of Springfield for \$23,000.
Q. What amusing incident ran the price up to \$21,000 on the public auction?
A. Ridgely, without competition, practically had the road for \$10,000 when suddenly a speculator who was being shamed in a barber shop across the street leaped from his chair and running added to the auction entered the bid for \$21,000.
Q. Was the auctioning of this railroad a good move from a financial standpoint for the state?
A. Had the state retained ownership a few more years it could have realized 20 times the amount gained from this sale.
