

Barrington Bronchos Beat Wauconda for First Cage Win Saturday

Lose Close Game to Ela Basketball Team Here Friday

Palatine Comes Here Friday for Second Contest of Season

The Barrington Bronchos chalked up their first basketball victory of the season by defeating the Wauconda Bears in a non-conference game at Wauconda Saturday by a score of 24 to 21. The Bronchos staged a fine comeback after their 31 to 29 defeat by Ela Friday evening. The victory over Wauconda evens up the series for the season between the two schools.

The Ponies shared a defeat and a victory with the Bronchos, losing to Ela by a score of 28 to 25 and winning from Wauconda by a 12 to 11 score.

Rice, Clinge Star

With forwards Clinge and Rice setting the pace, the Bronchos were able to stay on even terms with the Ela squad whose tight zone defense bothered the locals considerably during the first half of the game Friday night. The Bears led by a slim margin at the half, the score being 16 to 14. In the third period the Bronchos were held to only four points, a basket by Watson and a pair of charity tosses by Clinge. Ela capped four field goals during the third period. Then after trailing by a score of 29 to 24 with two minutes left to play, Capt. Ernie Rice dropped two field goals and a free throw to tie up the game. With twelve seconds remaining, Rice made his fourth foul on Leuthesser and was forced to leave the game. Leuthesser missed his free throw and Gleason sank the rebound to score the winning basket.

Clinge was high point man for the Bronchos with 11 points to his credit. Rice had 10 counters to be a close second. Knigge scored 10 of his team's 31 points to be high scorer for the Bears.

Win From Wauconda

Apparently inspired by the close Ela game, the locals returned to Wauconda Saturday and took a contest from the Bulldogs by a score 24 to 21. The win was the first in nine starts for the Bronchos. Ernie Rice again led the pace for the locals by scoring five field goals, three of them in the victorious second half. Clinge,

who injured his foot in the Ela game, did not appear in top condition at Wauconda, although he did score six points for the Bronchos. The score at the half read 10 to 16. Barrington came back in the third quarter and scored four field goals to the two scored by the Bulldogs and held a small lead for the remainder of the game.

Ponies Split

After trailing Ela by 12 points in the first half, the Ponies charged back in the third period and scored 12 points while they held Ela to three charity tosses. In the final period Ela made good six out of seven free shots and scored five field goals while the locals made just five field goals. The final score was 28 to 25. Jack Grueling was high point man for the Ponies with eight counters. A very little scoring was done in the Wauconda lightweight game. After four very slow periods the Ponies came out on top with a one-point margin to win by a 12 to 11 score.

A near-capacity crowd watched the Ela-Barrington games Friday evening.

Play Palatine Again

Tomorrow night, Friday, the Barrington squads will clash with their old Palatine rivals for the second time this season. Palatine is tied for second place in the Northwest Conference, but because of the fine showing made by the Bronchos last week it would be difficult to pick the winner. The game will be played on the local floor.

St. Paul Defeats Methodist to Tie Up Church League

30 to 22 Win Monday Night Puts Leaders in Fight for Lead

The Methodist cagers met with their first defeat of the season at the hands of St. Paul Monday night. St. Paul held a 15 to 12 lead at the half and maintained that lead throughout the game. Turnbull, who dropped four field goals and three charity shots the second half. The final score was 30 to 22. Altemberg scored half of his team's points while Bricker scored 10 points for Methodist. St. Anne fell before Salem in the first game by a score of 31 to 17. Ernie Anderson scored five

field goals to lead the Salem team in individual scoring. Capulli and Gallagher shared the scoring honors for St. Anne with six points apiece.

Two good games are scheduled for next week, one being between the old rivals, Salem and St. Paul. Baptists will take on Methodists in the other game.

Big chance for dairymen to make money and beat the depression DISPERSED SALE OF A GUERNSEY HERD WITH A RECORD OF 5.5 "AVERRAGE" BUTTERFAT ON THE LAST TEST

Cows that "milk" as well as "moo"

For many months past we have been selling our milk to a dairy, and, invariably, have headed the list of all the 43 farmers delivering milk there, for highest butterfat and lowest bacteria count. That record can't be made with SCRUBS.

FARMERS! Don't Miss This Sale!

Here's the chance of a lifetime. We have never before had an opportunity to sell a herd that had an "AVERRAGE" butterfat test of 5.5 and only a 15,000 bacteria count. This is a rare chance to bring up your butterfat product and get some good foundation stock. REMEMBER, IT IS BUTTERFAT THAT MAKES THE MONEY and goes to the highest bidder.

FROELICH & WICK, Auctioneers

HERE'S THE PLUNDER!

One registered Guernsey bull—21 months old, and a good one. Guernsey cows and heifers—bred to freshen soon. A top Holstein—hard to beat. Some very promising Guernsey-Holstein calves being raised on the new theory of cross-breeding. MILK cans, milk, DeLaval separator, churn, etc., etc. 1 hatched and grain box. Sundry other farm articles, including two incubators and sundry chicken equipment.

The cows, heifers and calves are not registered but were born and raised on the farm and originated from registered stock but we are not sufficiently satisfied with records as kept by herdsmen to register them. These cows are in this herd because they are PRODIGERS; we having learned by dire experience and the investment of a very considerable amount of money that YOU CAN'T MILK A PEDIGREE. Our bull registrations have been kept up-to-date and the records on them are correct. Bull and all cows and heifers tested for tuberculosis and Bang's disease—NO REACTORS. In
