

True Confession is Week-End Bill Coming to Catlow

Standing-In Now on Screen; "No Stand Sacred" Opens Wednesday

Before you do another thing—because nothing can possibly be as important as a laugh test like this—gather up the family and head down to the Catlow theatre where "Stand-In."

Leslie Howard and Joan Blondell lead the roster of stars in this hysterical screen version of Clarence Budington Kelland's Broadway Evening Post story. The charming Leslie emerges as a simply awfully comedian in the role of Asterbury Dodd.

The most sensational spy story ever screened, starting Dolores Del Rio, George Sanders and Peter Lore, coming to the Catlow theatre Saturday, "Lancer Spy" recreates a phase of war-time Berlin with a German war in the background.

Carole Lombard and Fred MacMurray are joined by John Barrymore in the co-starring leads of "True Confession," which opens on Sunday at the Catlow for a two day engagement.

In the film, Miss Lombard and MacMurray play the parts of a struggling young lawyer and his wife, constantly at sword-ends because of the confusion between Miss Lombard's inborn habit of lying and MacMurray's love for truth.

Over three hundred head of cattle were the actors in a stampeding scene which is one of the highlights of "Born to the West."

Playing the double feature bill Tuesday with "Born to the West," is "Eight Club Scandle," with an all star cast including John Barrymore, Lyane Overman, George Bickford, Harvey Stephens, Evelyn Brent and Geel Cunningham.

Beginning Wednesday, for a three-day engagement, the Catlow theatre is showing "Nothing Sacred," sensational Technicolor comedy.

County Treasurer Nelson Candidate for Probate Clerk

Allen J. Nelson, present Lake county treasurer, will be a candidate for the office of probate clerk in the republican primary on April 12, 1938. It was announced by Mr. Nelson last week.

Nelson has made an excellent record as county treasurer, and is in part responsible for the present status of the county finances, which are regarded as being in a better condition than any time within the past 30 years.

This statement is made after an interview with Mr. Nelson, who stated that the county did not borrow any money on anticipation warrants against the 1936 tax levy and would not have to borrow against the 1937 or 1938 levies.

Another commendable act during his term is that the earnings in his office have defrayed almost one-half of the county's general expenses.

Going back to the general election of 1934, Nelson was the only candidate who carried every township, and had a plurality in more precincts than any other candidate.

Following is an excerpt from an article which appeared this week in a leading insurance publication:

"The Earl M. Schwemm agency in Chicago of the Great-West Life Assurance company ended the year 1937 in third place among all the company's agencies. At the end of 1936 this agency was in seventh place and in June 1936, when Mr. Schwemm was made manager of the agency, it was in eleventh place.

"The new paid for business during 1937 was 92 per cent more than that for 1936. The agency not only had the greatest increase percentage-wise, but in actual volume of increased business of any of the company's agencies.

Mr. Schwemm is president of the Chicago chapter of Chartered Life Underwriters.

J. W. Langdale of Barrington ranked second among all the company's salesmen in Illinois in new paid for business during 1937. Mr. Langdale's progress in the insurance business has been outstanding.

Smothering for Animals Smothering in moderation is good for most sick animals, provided they are not too seriously ill. It hastens recovery in a remarkable way.
