

"Love and Hisses" Is Week-End Movie at Catlow Theatre

"Ebb Tide," New Technicolor Hit, Opens Wednesday for Two Days

When Jane Withers and the Hartmans, eccentric ventriloquists and famed Broadway satirists of the dance, start throwing their voices and dancing around, uproariously funny things happen in the starlet's latest and most laughable, lovable picture "45 Fathers," which comes to the Catlow theatre Saturday, in which Thomas Beck and Louise Henry are also featured.

There are to be two screen singing debuts in "Love and Hisses," starring Walter Winchell, Ben Bernie and Simone Simon, opening Sunday at the Catlow, but one of them will be a final performance as well.

The first is the sensational introduction of the lovely French star, Simone Simon, as a singing star of noteworthy talent. In several hit songs by Gordon and Revel.

The second debut occurs in the finale of the film, a thrilling production number in which all of the principals sing brief solos from the Gordon and Revel hit, "Be a Good Sport." Here, for the first time on the screen, Walter Winchell will warble.

Photographic doubles of nearly 39 famous stars appear in "It Happened in Hollywood," showing Tuesday at the Catlow. Among these "present" are Eddie Cantor, Claudette Colbert, Marlene Dietrich, Great Garbo, W. C. Fields, Clark Gable, Joan Crawford, Irene Dunne, Charlie Chaplin, William Powell, Myrna Loy, Mae West and Bing Crosby.

On the double feature bill with "It Happened in Hollywood," Tuesday, is the "58. The Octopus," starring Hugh Herbert, with Allen Jenkins and Marcia Ralston.

Directorial genius turned a "boner" into an advantage in a scene from "Ebb Tide," the new Technicolor film which opens Wednesday for a two-day engagement. The picture, which is taken from a story by Robert Louis Stevenson and Lloyd Osbourne, is set in a tropical scene in the South Seas.

For an important scene Oscar Homolka, Ray Milland and Barry Fitzgerald were talking under a palm tree. The scene was going perfectly, the actors were doing their parts just as Director James Hogan wanted them done, when one of the big arc lights began to overheat and crack. The noise sounded as if some raucous tropical bird had perched in the tree over the actor's heads and begun a sour serenade.

The actors expected Hogan to stop the scene and wait for the light to cool, but Hogan had no idea of spilling a perfect "take." When the scene was finished he called for a parrot, had the bird in the tree, and shot a brief silent section of film. When the parrot was inserted in the scene, he not only accounted for the noise, but also increased the effectiveness of the shot. It was the first time in history that a parrot had doubled for an arc light!

Miss Mary Grubbs Becomes Bride of Highland Park Man

BARRINGTON HILLS.—At 4:30 Saturday afternoon at Brookmoor, the home of the Robert W. Buckleys, Miss Mary Grubbs was married to Hugh Seyfarth, son of the Robert E. Seyfarths of Highland Park.

Two hundred guests were present for the ceremony, at which Rev. Albert Taylor of St. James church in Dundee officiated.

The drawing room, where the marriage service took place, was decorated with white snapdragons, stock and cymbodium ferns. The bride wore a princess gown of white velvet fashioned with long sleeves, heart shaped neckline and a full circular train. Her tulle veil was fastened to a bandeau of seed pearls and her flowers were a shower of lilies of the valley. She was given in marriage by her stepfather.

Mrs. Robert K. Pobes of St. Paul, who served as the sister's matron of honor, wore a gown of apricot velvet and carried an arm bouquet of roses and lupin. Robert M. Seyfarth, brother of the groom, was best man.

The newlyweds are taking a brief trip now, but in March they will go down to Florida for a visit of several weeks.

When Nature goes on a Rampage

The telephone company is always prepared for emergencies. No one knows when Nature will crash down on our plant. It did this in January a year ago when a sleet storm, the worst in years, covered west central Illinois. In spite of the magnitude of the damage, the work of restoring telephone service proceeded swiftly and smoothly because the Illinois Bell Telephone Company has not only its own personnel and resources to call upon, but the personnel and resources of the entire Bell System. This working together of all units of a universal telephone system makes possible the dependable telephone service you know today.
