

To Place First Aid Station Here; Train Employees in Course

The personnel of the Heckmiller Sinclear Service station is receiving training daily in an American Red Cross first aid course preparatory to the installation of a first aid station at the place of business, Hough street and Northwest highway.

The course is being given under the supervision and direction of Arno Holmes of Chicago, American Red Cross first aid instructor. Mr. Heckmiller, John Fouquette and Earl Hamilton are attending the class daily from 1 to 4 p. m. The course is to be completed Saturday and within several weeks it is expected the emblems and necessary equipment will be installed.

Several years ago the American Red Cross instituted a program of placing emergency stations at points along heavily traveled highways. The purpose of the act, it was explained, was to train men who are available at all times to render temporary aid to injured motorists while awaiting regular medical aid.

Local Man Is Held After Auto Crash

Three men were injured late Friday afternoon when two cars collided on route 25, about a mile north of the Elgin limits. Harvey Woodall, 34 years old, of Barrington, who received lacerations about the face and head, was arrested on a charge of driving an automobile while intoxicated. He was released on bond Monday evening.

The warrant for his arrest was sworn out by Carl H. Wolf, 1133 Hill avenue, Elgin, driver of the other car.

Wolf was accompanied by Clifford Ross, 43 years old, 638 E. Chicago street, Elgin, and Joseph Choperka, 35 years old, 304 Dundee avenue, Elgin. Ross was lacerated on the forehead and Choperka suffered a fractured ankle. The injured men received treatment at St. Joseph's hospital at Elgin.

Woodall was driving north and Wolf was south bound when the accident occurred. Both cars were badly damaged.

"Policeman of the Forest" is the title given the alert, noisy and quarrelsome Jaybird. His wild cry sounds like "Thief! Thief!" James Whitcomb Riley, Hoosier poet, termed the Jay "hall of fame" in their baseball clothes of his." And, despite his glorious colors, the Jay is a member of the crow family.

E. Wetten Will Sell Famous Guernsey Herd

A herd of Guernsey cattle, with average butterfat record of 5.5, will be offered at dispersal sale, Saturday, Jan. 15 by Emil Wetten of Wetten farms. Mr. Wetten has made a hobby of dairy cattle for years and his herd has established many records.

Order Execution of Judgment, Sewer-Water Bill Monday

Execution of a judgment obtained against J. Keller for failure to pay delinquent village sewer-water bill was ordered by the board of trustees Monday night. The execution was ordered to force action against the defendant.

To-date Mr. Keller has opposed payment alleging the sewer system is faulty and his basement has been on one occasion flooded by sewerage backing up, a condition, he contends, that did not exist before the last sewer job. He had offered to put the money due for sewer and water service in escrow but the board sought and obtained a judgment.

D. B. Maloney, village attorney, pointed out Monday night that the board should not be subjected to the impossible under unfavorable conditions. He was of the opinion traps in floor drains would prevent backing up in basements in those parts of town which are lower than others.

Mr. Maloney felt that this responsibility should rest with the property owner due to the fact heavy rains were uncontrollable. Owners should provide some reasonable protection under unusual conditions, he stated.

Infant Dies

A short service was held at the funeral chapel, 149 W. Main street, Sunday for the infant child of Mr. and Mrs. Clarence Lyons, 210 W. Main street. Rev. W. A. Stauffer officiated and burial was in Evergreen cemetery. The infant was born January 1 at the Sherman hospital in Elgin.

Births

Mr. and Mrs. Burton Hoffman are the proud parents of a baby boy, born at the Sherman hospital, Elgin Tuesday. The infant weighed 8 1/2 lbs. at birth. He has been named William Stephen.

Mr. and Mrs. Ben Berghorn, 413 S. Hough street, are the parents of a daughter Barbara Ann, born December 30.

Tragedy Climaxes New Year's Party

E. Chicago street, Elgin, one of the first to arrive at the scene, testified and told of removing the injured from the wreckage. Members of the train crew and State Highway Patrolmen J. B. Baker and William Gallagher also testified.

The crossing was not lighted and this, coupled with the fact that parts of the wrecked machine were found hanging from a boxcar in the middle of the 70-car train, indicated the deceased man had failed in his moving train until too late. Tire marks showed where the auto swerved to the left and went down the railroad right-of-way and hit the train.

Mr. and Mrs. Vandevybrat were married in Barrington December 18 and made their home here. He was employed at Greengard Grill.

Surviving besides his widow are three sisters, Mrs. Isabel Priestess of St. Charles, Mrs. Raymond Jansen of Kaukauna, Wis., and Mrs. Martha Vand of Appleton, Wis., a brother, Harry of Little Chute, Wis., and his father, John of Kaukauna.

Short funeral services were held in Elgin Sunday evening, and the body was shipped to Kaukauna Monday for burial.

Audit Prepared in School Suit Topic at Board Meeting

An audit of receipts and disbursements of school district No. 4, compiled by Charles Anderson and Co., auditors, was presented to the village trustees Monday night by D. B. Maloney, village attorney who stated the compilation had been made for use in the suit by the village of Barrington against district 4 for an accounting.

The suit comes up for hearing in superior court of Cook county January 16th at 10 o'clock. Harold, member of Eckerts and Peterson, attorneys for the district, will file an answer.

In discussing the audit prepared by Mr. Maloney stated the auditors went back to founding the First National Bank of Barrington in 1919 and showed the deposits and withdrawals from that place and the First State Bank of Barrington.

A point stressed by Mr. Maloney was the fact that at the closing of the First State bank the district had received \$67,986 more than deposited there. The late W. L. Waterman was treasurer for the village and school districts and kept all funds in two joint accounts, and consequently could draw on either bank.

The village is claiming over \$3000 in shortage and expenses from district 4.

Following a motion made by Trustee John J. Carroll and seconded by Trustee John P. Dascaler, the board voted to accept the audit.

Home Construction During 1937 Maintains High Level

Seven new residences, including a four apartment building, were erected in the village during the year of 1937 at a total cost of \$55,500. The average cost, excluding the apartment building, was \$6,315. Commercial building amounted to \$16,000.

A total of 18 homes underwent alterations or repairs during the year at an estimated cost \$25,475. Seven home garages are included in the total.

Following is a summary of the building work done by months listing the type amount and location:

Attorney Reports on Volling Bond Hearing

D. B. Maloney, village attorney, reported to the village board Monday night on the progress of the amended Voling bond suit on special assessment bonds No. 44 on North avenue. In this suit an attempt is being made to declare the validity of a number of bonds issued for the work. The village had the suit amended to include all owners of bonds and has been successful in getting all persons represented.

Mr. Maloney discussed the last hearing before master in chancery Albert Hall in Waukegan and told the trustees that persons believed to have owned certain invalid bonds never were in possession of them.

These bonds were declared void by a ruling of Judge Lindsay in Chicago about five years ago and the presumed owners were believed to have been Mrs. Jennie Powers, William Meister, Ella Courtney and Charles Wewetter. They testified at the hearing that they never had possession of the four bonds in question.

The village attorney stated he was securing necessary information and would present it at the next hearing.
