**Girl Scout Notes**

With the 25th anniversary of girl scouting in the United States coming to a close, it is especially gratifying to know that this anniversary year has proved to be an especially successful one for the girl scouts of Barrington. Within this past year our girl scout membership has increased from 30 to 50 girls. Our registered leaders have gained from one to five, and best of all is the fact that more and more girls are realizing the advantages and opportunities offered by this international organization, and their cooperation and interest has been outstanding.

The following women have been elected to serve on the Barrington girl scout council for 1938: Mrs. Edwin J. Parks, commissioner; Mrs. Dowell Durbin, deputy commissioner and personnel chairman; Mrs. Paul Trier, secretary-treasurer; Mrs. Sheldon Clark, publicity chairman; Mrs. George F. Rutledge, badges and awards chairman.

The associate members are: Mrs. Gordon Cameron, Mrs. John Bell, Mrs. O. N. Beckelman, Mrs. John N. Plagge, Mrs. Lester Higgins.

Members of the executive board of the Garden Club of Barrington met at the home of Mrs. Robert W. Work recently to discuss several important items of business. The most important matter was the decision of the group to take part in the planting program of the Lincoln Memorial park at Springfield.

The Garden Club of Barrington has undertaken to cooperate with other clubs in arranging the grounds, which adjoin a lake with a 52-mile shoreline. In the space

assigned to the local group, species of nut trees will be planted, it was decided.

Lincoln Memorial park contains 60 acres of ground and 10 garden clubs participating were assigned a certain portion to beautify. In addition to planting trees a circular stone bench 30 feet in diameter is also to be constructed. The work is to start immediately in the Garden Club of Barrington section. Jens Jensen, formerly of Denmark and designer of the Edsel Ford gardens at Detroit, will superintend the planting work. He is to have charge of the entire grounds during the project.

Lincoln Memorial park is five miles southeast of Springfield.
