

Mrs. Druggan Files Petition to Retain Possession of Farm

Mrs. Elizabeth Druggan filed a petition in the federal district court under a section of bankruptcy laws for distressed farm property in which she sought an extension and compromise of debts outstanding against the Allegan farm near Prairie View. Listed among her creditors was her son Terry with a claim of \$150 for wages as a laborer. Terry received considerable adverse publicity during prohibition days for alleged activities in the beer business. In the bankruptcy petition, Mrs. Druggan listed her liabilities at \$12,209, and valued the farm at \$50,000. If the petition is successful, she will be permitted to retain the farm for several years. The Fraser-Lemke bill, passed by congress several years ago, is the basis of her petition.

Barrington Boys Win Honors in Pure Bred Cattle Show

Two Barrington lads won first place honors with their pure bred cattle at the Kane County Farm Bureau and 4-H club day at the agricultural fair at Maroon field, Elgin Tuesday night. Donald Forest received a first

place ribbon for his pure bred Poland China gilt and Darrell Forest an award for first place for his purebred Poland China litter.

It was a fine array of livestock blue bloods. As each well-groomed animal passed the platform in the floodlighted area, Arthur C. Johnson, Kane county farm adviser and master of ceremonies, introduced the youth leading the animal and told of the ribbon awards the entry had won. Judges had spent the greater part of the afternoon appraising the large and exceptionally fine field of stock. Divisions of the show were as follows: beef cattle, colts, sheep, swine, dairy cattle, poultry and produce.

The Henneberrys built a beautiful home in Barrington Hills during the past year.

Jewel Tea Reports Earnings of \$2.48 Per Share To-Date

Jewel Tea Co., Inc. reports net earnings for the 23 weeks ending July 16, 1938 of \$693,522.25 or \$2.48 per share on the 280,000 shares issued after provision for taxes, depreciation and all other operating charges. In the same weeks of 1937 earnings were \$767,073.53 or \$2.74 per share. Net earnings for the 52 weeks ending July 16, 1938 were \$1,378,568.28 or \$4.92 per share compared with \$1,685,322.91 or \$6.02 per share in the 52 weeks ending July 17, 1937.

Total sales for the 23 weeks amounted to \$12,773,736.77 compared with \$12,387,736.17 for the same period in 1937, an increase of \$386,000.60 or 3.11 per cent. The number of operating units was increased by ten routes (.64 per cent) and five stores (.43 per cent) and the cost of such development operations.

Net working capital amounted to \$4,314,515.82 and the ration of current assets to current liabilities was 3.35 to 1. Expenses are 6.23 per cent higher than in the week of 1937 and the increase occurred largely in payrolls and taxes. Wages and taxes amounted to \$2,536,533.34 in the 23 weeks of 1938, an increase of \$196,337.64 or 8.53 per cent over the same period in 1937. Operations for 1937 were charged with \$40,004.84 under guarantee of the Jewel employees' trust fund because of adjustments from cost to market in the value of the assets of this fund. In the 23 weeks of 1938, earnings of the fund (in excess of interest on deposits at the rate of 3 per cent per annum) and improvement in the market value of these assets, brought a recovery of \$33,650.27 to the company which was credited to operations.

The total amount paid or accrued for all taxes in the first 23 weeks of 1938 was \$593,040.91 compared with \$642,456.55 in the same weeks of 1937, an increase of \$50,590.36 or 7.83 per cent. Social security taxes alone amounted to \$114,372.03 for the first 23 weeks of this year compared with \$82,665.49 in 1937.

\$10,000 Damage Suit Filed in Auto Crash

Allice Clay of Chicago has filed suit against John Torgerson and Mr. and Mrs. Clifford Novak, all of Chicago, in superior court of Cook county for damages alleged to have been sustained in an auto crash on Milwaukee avenue between Prairie View and Wheeling on February 13. She asks \$10,000 damages for injuries. According to the bill filed this week, Miss Clay was a passenger in Torgerson's car. She claims his machine and that of the Novaks' were out of their proper lanes on a four-lane highway and collided, injuring her seriously.

Palatine Listed for Inadequate Sewer

A stream pollution survey conducted by the state sanitary board in Northwest Cook county, labels the sewerage plants of Palatine, Mt. Prospect and Wheeling inadequate.

The report stated: "Palatine is the most important source of pollution of Salt creek in the area—it provides only primary treatment for its sewage and discharges wastes that are only partially purified into the stream." Wheeling empties completely raw sewage into the Des Plaines river, the survey reported.

Escapes Crash Injuries Harvey Harrison escaped serious injury when his car was driving struck a culvert and tipped over in the ditch on routes 4 and 63 near the E. Wetten farm entrance Sunday afternoon. According to reports, a car in front of Mr. Harrison suddenly slowed down and he took to the ditch to avoid a collision.

Interest Created in Cooking School

Continued from page 1 stration hall, have failed to catch all of the important steps in pastry-making and other culinary arts. The early birds in the very front row have had a close-up of the stage in the past, and even they couldn't peer directly into the mixing bowl.

Now the wizardry of the camera has solved the problem, making it possible for every person in the Catlow theatre to share each fascinating stage of the planning, measuring, blending and baking in practical, up-to-the-minute kitchens.

Keeping pace with the baking, roasting and frying, a series of salads and frozen delicacies will parade in and out of the adaptable electric refrigerator, which will reveal its host of possibilities for simplifying labor and marketing, and contributing to good health and good food.

What to do with left-overs? How to take the gloom out of laundry day? How to save time, energy and temper in meal preparation? How to be attractive in spite of the daily rush? How to make the picnic that men love to eat? How to give first-aid to fallen cakes?

It won't be necessary to ask the questions, for expert home specialists have anticipated these very problems. They know what bothers many an experienced housekeeper, because it is their job to know and to counsel helpfully. Fun, novelty and entertainment are joined throughout the feature picture, for it is always fair weather when neighboring cooks get together. Home-making has a universal appeal, and every woman is eager to learn the newest news of her craft.

Cooking, romance, modern kitchens, and clever actors and actresses do not tell the complete story of this 1938-model cooking school. The picture is a whole laboratory of modern ideas and wise counsel, touching on latest developments in home equipment and accessories, including laundry methods, ways to prepare left-overs, beauty secrets, hints on saving time and labor, and fresh suggestions on how to entertain graciously, as well as how to be thrifty.

Football Team of Cars Pile Up on Rand Road

Continued from page 1 attempted to inflict physical punishment upon Harkness for his carelessness, according to reports of the police. He filed a complaint against Harkness for reckless driving. Harkness retaliated by charging Crombie with assault and battery.

Most crashes involved more than two cars. Only five of eleven damaged cars were able to leave the scene on their own power. As the cars began to pile up, a radio call brought six state officers, including Officer McCarthey to the scene. They were busy untangling the mess, directing traffic, ordering damaged automobiles hauled away to garages and injured persons to hospitals.

The four occupants of the two cars which originally crashed were severely injured and brought out seriously injured. Persons who will face charges of reckless driving were booked in the court of Judge Behrens, Arlington Heights. These cases will be heard in the Arlington municipal building Saturday afternoon.

Flagger of Train Is Assessed \$10 Fine

William Bigel, former resident of Barrington who now lives at Gurnee, was fined \$10 and costs Tuesday morning when he appeared before Justice of the Peace Guy L. Grinnell of Libertyville on a charge of disorderly conduct. A charge of driving while intoxicated was dismissed. He was arrested early Monday morning at the route 54 crossing of the St. Paul railroad near Libertyville after he had sagged down a freight train. Bigel's car first hit a passenger train on the St. Paul tracks and rolled down about 30 feet parallel to the railroad tracks when he waved an oncoming freight train to stop. The train was stopped and Bigel was arrested.

In addition to her son, she is survived by her husband, Edward; her mother, Mrs. W. Garmis; two daughters, Clara and Mrs. Dorothy Hans; one sister, Mrs. William Wickes; and two brothers, Fred and Herman.
