ADVERTISEMENT ARRIVES AT PARTY SPARKLING WITH INFORMATION

Cornelia Otis Skinner says: "As a child, I never learned the modern stream-line method of absorbing an entire paragraph at a glance. It takes me a week to read a novel, ten days for the average biography. This naturally narrows down my selection of reading matter."
"But now comes The Reader's Digest to keep me abreast of the times. The cutting and skipping has been done in advance by the editors. The pieces are of such compactness that even I can finish three or four on my way to a party and arrive sparkling with information."
"You will enjoy and benefit by The Reader's Digest, too. Every issue is brim-full of worthwhile articles that you can't afford to miss."
"If you do not already know The Reader's Digest, you may have a sample copy free, through a special arrangement made with this paper. Address your request to Dept. X, The Reader's Digest, Pleasantville, N. Y."
The Editor.
