Man's Quest for Gold Is

Traced Back to 2900 B. C.
It was once believed that the Mayas alone were among the ancient
races that did not know the value of
gold. Little gold was found in their
great ruined temples that vie for

Use as Fast Back as 1325. The phras "due process of law." referring to the regular gorse of legal or judicial proceedings in any case, appears in the Frith and Fourteenth amendments to the federal Constitution. In the first of these: "no person shall be deprived of life, liberty or property without due process of law." the limitation due process of law." the limitation samendment: "no state shall deprive any person of life, liberty or property without due process of law," and the limitation is on the law of the states.

According to Professor Munro's

the limitation is on the laws of the states.

According to Professor Munro's "The Government of the United States," the phrase is an approximate equivalent of "by the law of the land," contained in Magna Charta.

Daniel Webster's definition of due process was "the process of law which hears before it condemns, which proceeds upon enquiry and renders judgment only after trial. The meaning its that every citizenty and immunities under the protection of the general rules which govern society."

The Sunreame court in its inter-
