Lounsbury Chapter O.E.S. to Entertain for State Officer

Honor Mr. and Mrs. Landwer
at Silver Wedding
Party Monday

Lounsbury chapter, No. 494, Order of Eastern Star, will entertain at a reception at the Masonic Temple, 512 S. Cook street, Saturday evening, in honor of the official visit of Sister Lillian G. Durbach, worthy grand matron of the Order of Eastern Star in Illinois.

Following the reception, a dinner will be held at the Canary Tea Room, 145 W. Main street. Mrs. Sadie Thies, secretary of the local unit is in charge of reservations for the dinner.

Guests here were asked to attend the reception at 7:30 o'clock. Members of the chapter arranged a silver wedding party for their worthy matron and worthy patron, Sister Ida and Brother George Landwer, following the regular chapter meeting Monday evening. The Landwers were pleasantly surprised when invited downstairs for refreshments. As they opened the door, their son George was playing, "I Love You Truly" on his cornet, accompanied by Mrs. Gertrude Albrecht on the piano. They were seated at a large table which had for its centerpiece a beautiful wedding cake. Mr. and Mrs. Landwer will have been married 25 years Saturday, June 25.

After the Landwers had received congratulations from the entire chapter, the evening was spent in singing and visiting. Another celebration of their anniversary will be a family gathering at their home Sunday.

Pool Activity Gains With Warmer Days

Attendance at the Barrington swimming pool has been going up in accordance with the temperature of the water. The pool was fairly cold when the water was opened last Saturday but has now nearly reached summer average. The attendance last Sunday was 70 and Monday was 149.

Henry Melow, pool manager, stated that starting next Monday morning, free swimming and life-saving lessons will get under way under the instructions of Jane Marie Curran and Claude Conn. These lessons will be given every week-day morning. There will be separate boys and girls classes and both junior and senior life-saving lessons will be given.

Children under 15 years of age living in the Barrington park district are admitted free of charge on week-day mornings.

Mr. Melow also stated that plans are underway for the annual swimming and diving carnivals and that these plans will be disclosed in the near future.

Complains Rats Are Attracted to Dump

The Pied Piper of Hampden might be able to do some business in the village of Barrington, according to the expressions voiced at the council meeting Monday night, when H. R. Brintlinger appeared before the board with a demand that steps be taken to eradicate rats that are beginning to infest the southwest side of town.

Mr. Brintlinger contended that garbage was being dumped with rubbish at the foot of a dumping street and that this was causing a large influx of rats. He pointed out that several individuals in the village are using a lot on West Russell street for a dumping grounds and asked that steps be taken to halt further dumping.

E. W. Baade, chief of police, was instructed to take action and A. C. Burandt, village clerk, was authorized to seek a method of destroying the rodents. The village dump also was discussed and included in the clean-up orders.

Begins Making Up Delinquent Lists

A. L. Wiedenbeck, village treasurer, reported that the work would start making up the special assessment delinquent list for the Cook county collector. He will be on the lake county list shortly, he stated.

Payment of special assessments now will avoid a 72 per cent penalty, plus the usual redemption and publication fees.

Kirk Smith Tells of Visit to Cane Sugar Producing Island

The fourth installment of his personal experiences as related by Lieutenant Kirk Smith, U.S.N., who is at present on a tour in the Pacific Ocean following duty in China, deals with sights while visiting the many islands of the Pacific. Following are his impressions on visiting a cane sugar producing island:

Refugio Island—April 30
"This is probably the prettiest place (from the anchorage) we have seen so far this trip. We arrived here yesterday about noon and there is a large sugar mill, operated by an American concern, just opposite our anchorage. Most of the land in sight is cultivated (and growing sugar cane) and the various fields as they slope up toward the mountains are beautiful. The people in charge of the sugar refinery are all Americans and this afternoon one of them took us out through the cane fields and native huts in his car up to the foot of the mountains and from there took a hike up into the hills. The road on which we drove for-
