

### Play Day Program Canceled Monday by Public School

Prevalence of Measles Cases Given as Reason for Changing Plans

Plans for Play Day, which was to have been held at Northside park Friday for pupils of rural and village grammar schools, were cancelled Monday afternoon by E. S. Smith, superintendent of schools, following a conference with B. J. Kemp, chairman of the committee arranging the event.

The prevalence of measles cases and his belief that a large gathering would tend to spread the contagion were given by Mr. Smith as the reasons for cancelling the meet.

Play Day is an annual event sponsored by the public school for pupils of the rural schools in Cook and Lake counties and in St. Ann parochial and the local public schools. It was reported that nearly 500 pupils were expected to be present and to participate in the various athletic contests planned for the day.

Although the number of measles cases reported to date has not been large, it was stated that contacts in a large group might cause an increase.

The meet was definitely cancelled for this year due to approaching graduation exercises in the rural and local schools, and also because the contagion period for measles would extend several weeks.

### Auxiliary to Send Reuben Baade to Boys State Camp

Two or more Barrington boys will participate in Boys State, summer self-governing camp operated under the auspices of the American Legion, Legion Auxiliary and other civic organizations at Springfield, June 19-25.

Reuben Baade, son of Mr. and Mrs. Ernest Baade, has been selected by the Legion Auxiliary as honor boy to be sent to Boys State by that organization. The organization made its selection at a meeting Tuesday afternoon, Mrs. John E. Pyra, president, reported.

The Legion also will send a boy to Springfield. The post will make its selection at the next meeting, May 19.

The boys have a chance to be men—and learn for themselves how their government becomes just what they make it. Amidst all this talk of the American form of government, they have a chance to learn for themselves what their responsibilities will be when they become men and how they are the ones who make it conform to their needs.

They will take part in simulated, non-partisan "political campaigns," party caucuses, elections, and then they will handle for themselves the affairs of the city, county, state—learning as no other method can provide, just how to operate the government as a "machine" to make it provide the most of life, liberty, and happiness.

### Hold Services for Mrs. C. McGraw, 77

Last rites for Mrs. Charlotte McGraw, who died Tuesday morning at the home of her son-in-law and daughter, Mr. and Mrs. E. Zelsdorf, 118 E. Liberty street, were held at St. Anne church

Surviving her, in addition to Mrs. Zelsdorf, are six children, Robert McGraw of Kelly Lake, Minn., Mrs. Florence McGraw, Adeline Duke, Miss Helen McGraw and Mrs. Catherine Tetterton, all of Chicago, and William McGraw of Barrington, and one sister, Mrs. James McGraw of Cuba township.
