The 1932 football season is over for the Barrington high school griders. All the uniforms have been turned in and the gridiron will be deserted until next spring. High school football has ended forever for the following: Grabenkort, G. Wenzl, Piaggi, Pohlman, Wilkins, Watson, E. Wenzl, Shepard, Sait, Church, Herren, Nestlerode, Catlow, Mitchell, McAdoo and Lindberg.

The sport spotlight is now turned to basketball, which has been going on a little over a week. There are only two squads this year; the heavyweights, practicing under P. E. Clark, and the second team under T. C. Hordford. The members of last year's heavyweight squad who are out again are as follows: Grabenkort, Church, Saul, Herren, Shepard and Watson. There are to be 12 players on the first team and 14 on the second. The final cuts have not been made yet. The first game of the season is with Crystal Lake after Thanksgiving.

Following is the final standing of teams in the Northwest conference football schedule:
