

Halloween Party at Country Club Marks Closing for Season

BARRINGTON HILLS.—The Halloween party Saturday night is marking the closing of the Barrington Hills Country club for the season. The party is to be a formal dinner-dance and a number of cocktail parties will precede the dinner. Mr. and Mrs. Lloyd Egan are among those entertaining.

Begin Book Reviews
A most interesting series of talks was inaugurated last Monday morning when Miss L. Wood gave the first one at the home of Mrs. Frank Hecht Jr. Miss Wood's subject was "Illuminated Manuscripts." She showed pictures of rare old illuminated books and English books and created for her audience a beautiful and artistic background to literature.

The second number of the series will be given Monday, Oct. 31, at 11 o'clock at the home of Alexander Reichmann, and the subject will be "Saints and Their Legends."
Mrs. Thomas Hayward is hostess for the third on November 14 when Miss Wood will discuss "Personalities of the French Revolution."

Nurses Assn. Meeting
The Barrington chapter of the Yletting Nurses Association has been meeting on Mondays during October at the country club, but beginning the first Monday in November Mrs. Robert Buckley will be hostess for the winter.

Symphony Concerts Begin
The Tuesday concerts of Chicago Symphony Orchestra began this week and drew a number of Barrington music lovers. The football games are popular also and a number of luncheons are to precede both concert and ball games.

Form Bridge Groups
Mrs. Leslie Hansen and Mrs. Kenneth Kalkreuth gave a tea at Barrington Hills Friday afternoon which was the beginning of the formation of three contract bridge groups meeting on Wednesday and Friday afternoon during the winter. Mrs. Mary McAllister of Park Ridge was present at the tea and is to be the instructor of the new group. She is one of the few women who holds a master degree in bridge from Mr. Culbertson.

Infant Welfare Meets
The Barrington Center of the Infant Welfare of Chicago held its all day meeting at Barrington Hills Wednesday. A large number of members attended.

Personals
Mr. and Mrs. Andrew Dallstrom leave Barrington today and will sail from New York tomorrow on the S.S. Santa Rosa for Barranquilla, South America. They expect to be away until the middle of December. Mrs. Frank Rickets of Charleston, Ill., Mrs. Dallstrom's mother, came to Barrington Sunday and will remain until the Dallstroms return.
Mrs. Robert Buckley entertains the group which is hearing Mrs. Boosing in a series of book reviews on next Tuesday.
Mrs. Charles Buckley, who has been ill for a few weeks, is recovering.

Suit is Started Over School Girls' Injuries
Suit for \$22,500 for injuries and medical expenses of Marlon Hughes, 16-year-old Warren township high school student, who was in an auto-truck collision last March 18, was started Thursday in the Lake county circuit court by Robert Hughes, the girl's father, of Gages Lake, against Zion Industries Inc. and Jorne Raymond of Zion. Miss Hughes was on her way to school with Irving Krumery, 18, of Graylake, in his automobile when the crash occurred on route 63 near Belvidere street. Raymond was driving a Zion Industries truck. The complaint asks \$20,000 for Miss Hughes and \$2500 for her father for hospitalization and medical bills.

Fox Lake Man Falls From Row Boat, Drowns in Bay
Henry Morgenson, 34, who was employed on the property of Mrs. Emma Howard at Mineola Bay, Fox Lake, lost his life when he fell from a row boat alongside the pier of the Howard property and was drowned Tuesday. He had been working at removing a bog that had grown alongside the pier when the accident occurred. While attempting to reach the bog with his hands, he apparently lost his balance and fell into the water. It was necessary to conduct a search for two days before his body was recovered.

Petition for Village Charter at Lily Lake
Melveny County Judge Henry L. Cowlin last week approved a petition presented by residents of Lily Lake asking that a special election be held to determine if

the community should be incorporated as a village. A special election will be held November 1, according to the ruling Judge Cowlin handed down on the petition. The petition set forth that more than 200 persons resided in the area known as Lily Lake and they desired to incorporate in order to install needed improvements.

Palatine Folks Awaiting Cornerstone Box Opening
Residents of Palatine are muzzling their curiosity for a few weeks as work progresses on the tearing down of the old Batterman block building, a landmark in that community for many years. When the first floor level is reached the cornerstone is to be removed and the box, placed there 24 years ago, will be opened and its contents brought to light. Considerable sentiment is attached to the wrecking of the building, which stands in the center of the business district, for it was the hub of all social activities in the community for many years. Possessing lodge rooms, a community hall and dance floor, most organizations used it for their headquarters.

Itasca Merchants Find Solution to Halloween
Itasca merchants who had heretofore been beset with the usual problem of cleaning was and other articles from their windows as well as removing from their premises any other objects left there by Halloween pranksters, have reached a solution to the problem that might well be adopted all over. For the last several years prizes have been offered to the children who draw the best pictures on the store windows—but the artists must use soap and must also pledge not to indulge in any other activities on Halloween. Introduced by Postmaster George J. Pfaff, the idea has worked very satisfactorily with a minimum of after-Halloween fuss, merchants reported.

Voters Reject Park Proposal at Grove
Fox River Grove's park district proposal, for which a special election was called October 15, was rejected by a 180 to 76 vote of residents of the village. Although 125 persons had signed petitions calling for a vote on the proposal but 76 of the 285 ballots indicated support of the park project. There were 29 spoiled ballots.

The State Constitution is the Peoples' Law. They establish it by direct vote and only they can change it. When a provision ceases to serve the public interests it should be changed.

Illinois banking laws are out of date. The National Banking Act and the Banking Acts of our neighbor States have been revised to meet new conditions. Our banking laws must be brought up to date. The proposed Constitutional Amendment will remove the double liability of stockholders of our State Banks. It has been removed from National Bank stock and from State Bank stock in 39 states.

The proposed Constitutional Amendment will remove the requirement of referendum on banking legislation and enable our General Assembly to modernize our State Banking Act promptly. Remember the Amendment must receive a majority of all votes cast in order to ratify it.

Ever since the first international show in 1906, the exposition has opened on the first Saturday after Thanksgiving, a calendar position that has made it both the close and climax of the continent's agricultural fair season. Since a majority of the herds and flocks that are exhibited at the Chicago exposition have been prize winners at county and state fairs and sectional expositions, held earlier in the year throughout this country and Canada, the International Live Stock show has long stood as a court of last resort, where winning animals are accorded the highest honor that the show ring can bestow. The exposition will be held in the new international amphitheatre at the east entrance to the Chicago stock yards. The building covers six acres of exhibit area and was built to meet the special needs of the show after which it is named.
