## Speaker Proposes Many Changes for State Constitution

**Mary L. Ramsey Addresses  
Woman's Club Meeting  
Wednesday**

Members charged by to introduce proposals for new state constitution were suggested by Mary Louise Ramsey, Chicago woman lawyer and professor of an L.S. degree from the University of Missouri and a doctor of judicial science from the University of Michigan.

"Ramsey's father was one of the framers of the present state constitution drafted in 1870, and according to her ancestors did not trust future generations to keep it," she said, "and I think we should have a document for times as long as the life of a man."

"The Ramsey father was not of the framers of the present state constitution drafted in 1870, and according to her ancestors did not trust future generations to keep it," she said, "and I think we should have a document for times as long as the life of a man."
