

Delivers Talk on Christian Science at Public School

Robert Stanley Ross, C.S.B. of New York City, spoke Tuesday Night

Robert Stanley Ross, C.B.B. of New York City, member of Board of Lecturers of The Mother Church of the First Church of Christ, Scientist, in Boston, Mass., delivered a lecture on Christian Science, its Unlimited Possibilities...

My friends, would you like to know how to be free from fear and worry? Would you like to know how to be happy? Would you like to know how to be free from fear and worry? Would you like to know how to be happy? Would you like to know how to be free from fear and worry? Would you like to know how to be happy?

Contra'y to common belief...

There is no mystery about Christian Science healing. Anyone can understand it. The clearer one senses its substance...

Apoptical Discovery In view of the world-wide tendency to reduce human modes to a system of automatic reactions...

Colombia believed there were undiscovered lands beyond the sea. Gallio believed there was a land law governing the stellar system. Newton believed there was an invisible law connecting the apple to fall...

Horses! Did I tell you they will stand driving them in an... I picked up at night. We may be bought and insured and guaranteed humane death...

ONE of these days you're going to take steps about that new car you've been dreaming of. You're going to walk into your dealer's and start talking down every dollar — and you'll feel better just to have done something definite.

What we want to know is — why not get a good lift while you're at it — and get it now? As things stand at the moment, we can put a staunch, steady, sprightly-stepping Buick at your command in almost no time at all! We can send you behind a great Dynaflex straight-eight which your very own will be tonic to your soul...
