Taylor and Beery in New Production at Catlow Theater

Appear With New Female Star in "Stand Up and Fight" March 19-20

"Off the Record," a hot-acting griddle newspaper story which has taken the theater attraction at the Catlow Theater, is now being produced by Pat O'Brien and Joan Blondell, in a comedy in which the story is in "Stand Up and Fight" March 19-20.

"Off the Record" is far removed from the usual griddle newspaper pictures because its interest is not in the life of professional sportsmen, but in the central character, it is an amusing theme derived from the warmly human side of the griddle and sports news paper woman portrayed by Miss Blondell. In her successful career she has been the griddle news paper woman portrayed by Miss Blondell. In her successful career she has been the griddle news paper woman portrayed by Miss Blondell.

The cast in the Catlow theater to be March 19 and 20 promises to be the best of the season. The play will be "Stand Up and Fight" March 19-20. The cast includes Taylor and Beery, and a new female star.

Jewel Tea Reports Sales Increase Over Parallel 1932 Period

Jewel Tea Company, Inc. reports its sales for the four weeks ending February 23, 1933 were \$1,313,222.21 as compared with \$1,352,476.57 for parallel weeks in 1932, an increase of 2.4 per cent.

Sales for the first eight weeks

of 1933 were \$1,741,813.14 as compared with \$1,638,682.64 for a like period in 1932, an increase of 2.33 per cent.

Despite the downward trend of business index charts during the past few weeks, based on comparisons such as our leading steel production and electric power production, a sharp rise had occurred in business activity and is reported to constitute an index through the second quarter of the year.

Automobile and truck manufacturers have experienced a considerable rise in volume of sales as have retail order bookers and contractors.

MILK Builds Resistance to Disease

After strenuous outdoor play, a child is fatigued and he is easily susceptible to common cold germs. A glass of whole milk following his exercise will do wonders in restoring his resistance energy. This is one of the most important steps in helping your child avoid colds.
