Here's a man's car that women love to drive! You'll like the new roominess of the new Ford V8. You'll enjoy its "trip-combined" riding comfort. You'll get a kick out of its ease of handling, and the smooth, sure action of its big hydraulic brakes. In beautiful styling, made and own, will make your eyes sparkle. Especially if you're a woman. For show as the things that make it a new woman, too to drive! "And how quiet!" you'll say. Scientific sound-proofing has achieved a new degree of useful fact in this new Ford V8. You'll like its new completeness of interior appointments, too! "We were going to say that the smooth, silent, useful power of the great Ford V8 engine was the sort of thing that makes it a man's car. But... maybe, if you're a woman, this is just another feature that makes the Ford V8 the kind of car you'll love to drive!"
