

Barrington Bears Lose to Ball-Mucks on Walks and Errors, 8 to 1

Team Muffs Chance for a Victory at Wauegan Sunday

Elgin Parklands to Play Here This Week in All-Star Game

Errors and walks, the base of the Barrington team, were the cause of their defeat in the first game of the season, played a preliminary to the contest of the week in the game played with the Barry-Muck Wauegan team at the Ball-Mucks ground on Sunday.

Errors which our Barrington had had difficulty in getting the umpire's decision on them that day on the course of the game. It gave up 15 walks and struck out also none. Wauegan killed him for six hits, one being a double in the 10th inning which ended the game by knocking into one of three members of the home team.

That was the season for Barrington and had the locals been allowed to hit, one walk and three errors would have made the game lay in the number of errors which were made.

The Barrington team has its base in the Elgin Parklands on Sunday and will play the Barry-Muck, Washington and Hoop teams.

On August 3, July Klumpfenstein, manager of the team, will play in the district All-Star game. He will play with the Barry-Muck team on the night light. The arrangement is to play the game against an All-Star team from the Chicago league.
