"It appears Buick is going to be the spark plug of the 1940 General Motors lines"

We take the statement quoted above... you to learn about in connection with making our famed Dynafash engines even more to be desired.

In every Buick there'll be more swell features of ride and stride than you've got time to count. So, whether we're "spark plug" or not next year—who cares?

The main thing is, we'll be "in" there pitching" with the grandest automobiles you ever saw!
