50 Years Ago

November 2, 1880 Mr. Hale went to Janesville Saturday night and was quite sick, but is slowly recovering. Mr. Fred Pomroy and daughter were visiting in Hyde Park. There is some talk of having a dance at the hall next Friday. Parties from Chicago were trying to buy land at Lake Zurich for an ice house. A new sidewalk has been built around the post office building. A decided improvement. Nearly 250 have been locked up in the new jail during the past week. Mr. J. Catlow expects to do some extensive repairing on the house he purchased recently. The new blacksmith shop being built by Matthew West is nearing completion. Harry Porter went to Chicago Tuesday. Mrs. Porter starts on her way to Stuttgart next week. Mr. William Gilson has purchased the farm of 40 acres formerly owned by Dr. C. Hastings. Mr. Duke Church and family of Barrington Center, called on friends here last week. The trackmen look a lay-off Monday afternoon and seemingly resigned themselves very soon. P. J. Back and Lyman Powers were back in town last night.
