Hix and West Get 1-Year in House of Correction

Judge John Prystalski Passes Sentence on Two Youths Friday Morning

Lyle Hix of Barrington and his uncle, Fred West, of Wisconsin, were sentenced to one year in the House of Correction by Judge John Prystalski in the Cook county criminal court Friday morning. A charge of carrying concealed weapons was not pressed.

Proposed Zoning Changes Meet No Open Opposition

Reclassification of Property Discussed at Public Hearing Friday

Without opposition from the 12 residents present at the public hearing last night, the village board, the board of appeals passed, on four proposed changes in the village zoning ordinance. Three of the changes concerned planning of three classes of property now in class C as shown as class C-1, C-2 and C-3. Class C permits the erection of three-family or multiple-family dwellings.

Two of the districts changed included property between Main and Franklin streets in blocks D and E and the other change concerned the north one-half of blocks 5, 8 and 13 fronting on the south side of Lake street. The major portion of the public hearing was devoted to the discussion of establishing a building line of 25 feet west of the line of George street. Notable Workmen, Otakar Cerny and J. R. Murphy, who own homes on George street, were present in the interest of having the building line established. George street is 25 feet wide and those property owners on the east side of that street adjacent to Walton street property owners, whose rear property line is the west boundary of George street, using their street for alleged alley purposes.

"It's Christmas Time... Let's Make Everybody Happy!"
Now comes the magic time of year. The cares, the troubles, the worries, the little peevcs we've carried along through the year dissolve into a glow of warm friendliness, of generosity, of good-will to all. And, deep down, we wish that we could take the whole wide world and share with it this peaceful, loving spirit that rests upon our hearts.
It's Christmas! Let's make everybody happy... wife, husband, mother, father, son, daughter, sister, brother and all the nephews, nieces, cousins and the uncles and the aunts.
That's the spirit in which we've approached our Christmas preparations... the good old-fashioned spirit of meritment. We have collected carefully. We've hand-picked to avoid the trite, the hackneyed, the commonplace. And we've done it all with an eye to practical giving. This year your gifts will be beautiful, exciting, glamorous... but above all—practical. But they need by no means be expensive. For even at the smallest prices we've gathered gifts to make hearts beat faster, eyes sparkle with joy... gifts to make everybody happy!

PRACTICE THOSE CAROLS

Plans of the program committees for the Barrington Christmas activities include an opportunity for all to have a part in singing festivals. We may suggest that local Carousos and Madame Schumann-Heinks start their carol warbling now in order to be in fine voice for the programs which are to start two weeks in advance of Christmas.

Choirs, school children, singing societies and many others are being asked to join in the program and the general public is not to be forgotten either. In order to bring due credit to yourself and family, it will be wise to practice those carols now that you may be ready for the performance when the time comes. Try humming to yourself at night, while waiting for the morning paper or at almost any time or place.

Bronchos Win by 38-25 Score; to Meet Northbrook

Ponies Also Victorious in Opening Home Game of Season

The Barrington Bronchos basketball team worked a great deal of speed and teamwork when they defeated the Elia Braves at Barrington Friday, 31-25. This game was a preview of the contest which will take place in the Northwest conference standing. Elia is supposed to have one of the strongest teams in the conference, but the Bronchos held the edge throughout the whole game.

The Braves' main threat was captain Glenn Kruger, who scored 15 out of the 25 points, but this was

not enough to defeat the Bronchos. The first half was even, both sides fighting hard, and making quite a few fouls. Barrington led 10-7 at the quarter and 19-14 at the half. In the third quarter the Bronchos worked well together and forged ahead to a 27-11 advantage. The Bronchos' offense was checked off some in the last period, with Elia scoring a series of baskets in a last-minute rally. They could not overcome the home team's lead and the game ended 38-25 in favor of Barrington.

All of the starting five Bronchos were scored with Jones being high point man with ten. The Bronchos showed a lot of promise in this game, and proved to everyone that they are going to be definite contenders for conference honors this year. Friday, they will play at Northbrook in the first conference game of the season. This will be a tough fight, as Northbrook also has one of the better teams in the conference.

The Barrington Ponies also continued on their winning way at Northbrook in their opening home game, 18-11. Barrington led all the way, and outplayed Elia throughout the game. Schrammer did most of the scoring in the first quarter, which ended 1:47. They added three more to make it 18-4 at the half.

Farwell, Ticky, and English worked together to bring back to double the score in the third period, and Elia's center, Lemm, made some nice shots, to give Elia sixteen points to Barrington's 13. Each team scored a few points in the last period, the game ending 31-18. Fray, Schrammer, Farwell and Ticky did most of the basket-shooting, and English and Stewart were good on passes and rebounds.

Friday the Ponies play at Northbrook in their opening conference game.
