Executive Director's Report
Director Henning reported that five candidates have been certified for the upcoming Board of Library Trustees election to be held on April 2, 2019.

Since the last board meeting, Director Henning has attended meetings with the Garlands, South Barrington Park District, the Directors of Gail Borden and ELA Public Libraries, and a prospective
board member. He will complete his staff one-on-ones this month after meeting with members of building services.

In programming news, Finals Café was a tremendous hit. Over one thousand students enjoyed refreshments and study space throughout the library during finals week. Director Henning mentioned that the modular furniture and the open space was very conducive to meeting the students’ needs.

Director Henning updated the board on the library’s upcoming construction projects. The chiller replacement is slated to begin in the fall of 2019. Parts of the administration wing will need to be shut down for a short period while the project is being completed. The atrium construction has been pushed back to the fall of 2019 to accommodate programming that had already been scheduled.

Upcoming goals for Director Henning include policy revision, budget work, building a new staff recognition program and instituting bottom line change, which is a component of the Zingtrain program that managers took part in as part of this year’s In-service training.

Two options that had been considered, adding car charging stations and adding more parking spaces, proved to be too costly. A motion was made to accept the architect’s recommendation for the upper parking lot replacement by President Minner, seconded by Mr. Pizzi.
