President Minner invited Ms. Karen McBride, the library’s Public Information Manager, to address the board. Ms. McBride was pleased to announce that this year’s Summer Learning Challenge has been wildly successful. To date, over one million reading minutes have been logged, which far surpassed our initial goal of 400,000. Ms. McBride also highlighted two of our bigger upcoming programs. Rootsfest is scheduled for Sunday, September 9, 2018 and will center around our art installation, “Network”. Many local businesses will be involved and quite a few activities are planned. Another program of note is our fourth annual Tedx Presentation, scheduled for October 11th. This year’s lineup includes three powerhouse speakers, Sam Oliver, Chrissie Mena, and Reverend Dr. Zina Jacque. The board thanked Ms. McBride for her presentation and she left the meeting.

President Minner acknowledged the milestone anniversaries of two staff members. Fanny Liu, Customer Service, and Yue Shiau, Material Services, have each served the library for fifteen years and the Board is thankful for their many years of service.

One month into the new fiscal year, year to date revenues are at 11.98% of anticipated while expenditures are 7.94% of the budget. Director Henning discussed the option of opening a reserve bank account at Barrington Bank and Trust. This account would house the bulk of the library’s balance, earning around two percent interest, while keeping the library’s assets liquid. Each month, the Business Manager would transfer enough money into our operational checking account to cover the monthly expenses of running the library. Ms. Clifford asked if the library would have to pay a fee for this account. Director Henning said that although there was a $70.00 monthly fee associated with the account, the interest earned on the reserve account would more than cover the fee. Director Henning noted that this account would give the library more protection with services such as digital invoicing and Positive Pay, which is a program used to ensure that no fraudulent checks are cashed on the library’s account. Ms. Peters moved, and Ms. Pintozzi seconded the motion to approve the opening of a reserve bank account at Barrington Bank and Trust.

Ms. Stordahl will contact the press regarding the change as well as post it to the website. **The motion passed unanimously.**

Ms. Maggie Wake was promoted to Customer Service Manager effective today, and Mr. Jason Pinshow will be joining us as Head of Adult Services beginning Monday, August 27th. Mr. Pinshow comes to us from the Fox River Valley Public Library District where he was the Manager of Adult and Teen Services. Interviews for a new Finance Manager will begin at the end of the month. In addition to hiring new staff, Director Henning has met with each of the Youth Services staff members and has enjoyed getting to know everyone on a more one to one level.
